DETAILS

Law enforcement officials are seeking the public's assistance in identifying an individual who may have information relevant to the investigation into several arsons at Chabad Centers in Massachusetts.

On May 11, 2019, at approximately 11:00 p.m., authorities were alerted to a fire at the Chabad Center for Jewish Life of Arlington-Belmont in Arlington, Massachusetts. Five days later, on May 16, 2019, at approximately 8:50 p.m., authorities were alerted to another fire at the same Chabad Center. Later that evening, just before 10:00 p.m., authorities responded to a fire at the Chabad Lubavitch Jewish Center in Needham, Massachusetts.

At the time of the incidents, surveillance footage captured an unknown male, approximately 5'11", slowly walking to and from the locations where the fires were set. The man appears to be wearing a dark North Face jacket with the hood pulled over his head and khaki pants. He is also seen carrying unknown items in each hand. In the Arlington video, three different cameras show the unknown male walking down Lake Street in the immediate vicinity of the Chabad Center at the time of the fire. In the Needham video, the same man walks in front of the Chabad Center towards the area where the fire was set. Approximately one minute and forty seconds later, he turns abruptly, looks back in the direction of the fire, and walks towards the street and down the sidewalk.
