

Let's take an adventure through our
משיח time travel machine

Welcome to the Adventurer and
Explorer Zone Through the **מאמר ואתה תצוה**

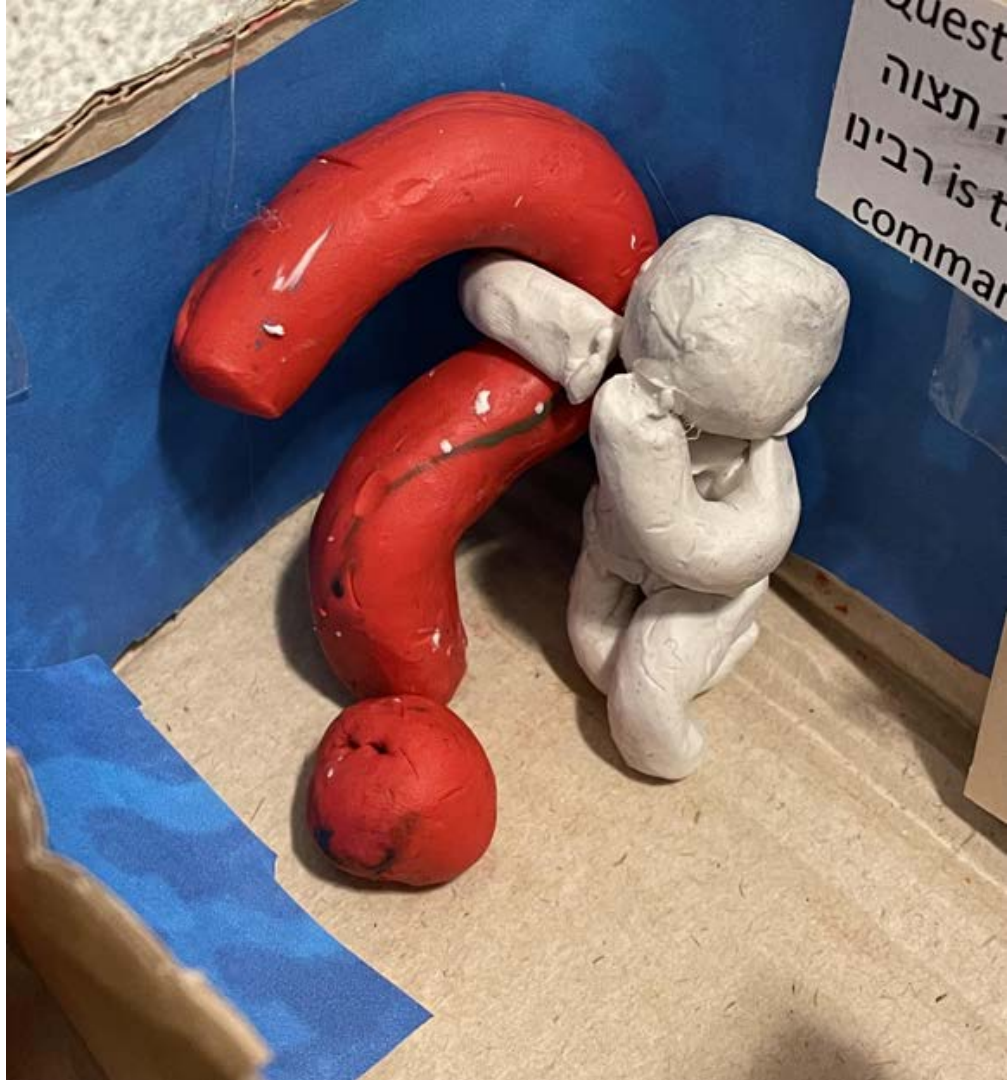

START

Hashem told אותו,, משה רבינו
which means you should
command the Yidden to bring
you olive oil.

Question: Why did Hashem say
משה ואתה תצוה, it sounds like
משה is the one who is giving the
command but really, it's from
ה'?

תצוה

The Freidike Rebbe says, תצוה can also mean צותה: connect. meaning רבינו משה should connect the Yidden with Hashem.

Then the Passuk says ויקחו אילך שמן זית זך
which means when you connect the אידו with
Hashem then your נשמה will be pure like
olive oil.

But how can the Yidden purify
who is greater than all the
Yidden?
משה

הגדול

משה is like the head ראש בני ישראל, and we
are like the feet. Just like a head can't go
anywhere without the feet, so too we can
bring רבינו משה places where without us he
can't go.
