

# A MESSAGE FROM YOUR COUNCIL MEMBER

## CRYSTAL HUDSON

**Dear Neighbor,**

First and foremost, I'm proud to represent a community that is known for its hospitality and will be hosting thousands of guests over the holidays. I'd like to wish you a healthy and prosperous New Year! It is an honor to serve our diverse community, and as we approach one year into my role as your Council Member, I continue to work to ensure our community's needs are met through meaningful legislation and action.

After being elected in 2021, my official term as your Council Member started in January 2022. Since then, I have introduced 22 bills and sponsored 201 pieces of legislation to ensure that our families are treated fairly, our neighborhoods remain safe and clean, our elders are able to age with dignity, and that our youth are provided the opportunities they need to succeed — because we know those are the things that keep our communities safe.

**Additionally, I have:**

- ✓ Secured hundreds of thousands of dollars for organizations that support the Lubavitch community like **Met Council** and the **Crown Heights JCC**;
- ✓ **Increased neighborhood cleanliness**, which included adding 50 new trash cans across the district;
- ✓ Formed **neighborhood safety councils** led by local faith leaders, conflict mediators, community groups, and the NYPD in Crown Heights and Fort Greene to address gun violence in our community; and
- ✓ Secured **\$100,000 in funding** for violence interrupters and crisis management groups

*Feel free to reach out to me anytime.*

**L'Shana Tovah U'Metukah!**

*C. Hudson*

***Council Member Hudson's initiatives have increased neighborhood cleanliness, helped to provide jobs for the underprivileged, and combatted the violence epidemic facing our communities.***
