

CROWN HEIGHTS UNITED ENDORSES LEE ZELDIN FOR GOVERNOR

Dear Anash,

On Tuesday November 8th – 14 *Cheshvan*,
New Yorkers will choose our next Governor.

There are many issues that are deeply concerning to our communities here in Crown Heights, East Flatbush, Remsen Village, Brownsville and the entire NYS.

First and foremost, our right to choose our children's *chinuch* is being threatened.

We are also very troubled by the rise in crime, the complete lack of law & order, and the almost daily attacks on fellow Jews.

Each and every vote matters! Increased numbers give our community a stronger voice with the elected officials.

Lee Zeldin is the only candidate who will address these issues.

We are therefore proud to endorse him in his candidacy for Governor.

Sincerely,

Crown Heights United.
