Kashrus Advisory: Meat and Poultry for Passover

This is to certify that all fresh meat and poultry products (non-processed, non-cooked, non-cured) bearing the CHK certification are **Kosher for Passover year-round**.

No special Passover certification or labeling is required, as these products contain no chametz and are produced under our full-time kosher supervision.

All processed, cooked, and/or cured meats and cold cuts must bear a clear kosher for Passover designation on each package.

Approved Brands (Raw Meat Only, Not Processed.):

- CH Meat
- David Elliot
- Heartland Kosher
- Generation 7
- 770 Glatt
- Shmullys Fine cuts
- Southern Kosher meat

Please Note: At retail stores, CHK certification applies only to products that physically bear the CHK label.

As we prepare for the Festival of Our Freedom, the Vaad HaKashrus wishes the entire community a Kosher and Joyous Pesach. In the spirit of the Rebbe's teachings, may this physical preparation for the Seder lead to a spiritual liberation, breaking through all personal boundaries (*Meitzarim*), and may we merit the ultimate Geulah immediately!
