70 NATIONS.
ONE MISSION

“ונוסף על כל עינים אלו, קשורה אסיפה
והתוועדות זו עם נשמתו של יהודי שהוא נשיא
הדור, — ש”הנשיא הוא הכל”, שכולל כל נשמות
הדור (ששים ריבוא מישראל), וכיון שבשבילם
נברא העולם, הרי הוא כולל על ידם את כל
העולם כולו עם **שבעים האומות** שבו, עליהם
נאמר “יצב גבולות עמים למספר בני ישראל”

70 NATIONS. ONE MISSION

This booklet celebrates the global impact of Oholei Torah on its 70th anniversary by highlighting the presence of our *Yeshivah* in 70 countries around the world. For seven decades, Oholei Torah has trained thousands of *Talmidim* to serve as *Shluchim* of the Rebbe and spread the wellsprings of *Yiddishkeit* to every corner of the globe.

While our alumni who are *Shluchim* and community leaders number in the thousands, these 70 countries represent the incredible reach of the mission of Oholei Torah. With total dedication to the vision of U'faratzta, our *Talmidim* have broken through every boundary, from the remote islands of the Caribbean to the emerging centers in Africa, to establish a *Dira Betachtonim*.

Published in honor of the Rebbe's birthday —Yud Aleph Nissan—this tribute echoes the historic call of the Rebbe upon reaching his seventieth year to establish 71 new institutions. Today, as Oholei Torah marks its own 70th year we present these seventy nations conquered by the light of *Torah* and *Chassidus* as a gift to the Rebbe. It is a living testament that the vision of the Rebbe lives on, one country at a time.

This is only the BEGINNING!

For 70 years, Oholei Torah has been driven by one mission, to complete the *Tachlis Hakavona* of *Dor Hashvii* and bring about the era of Moshiach. These 70 countries represent the spiritual conquest of the 70 nations and the transformation of the entire world into a *Dira Betachtonim*.

This impact is rooted in our Yeshiva, where *Talmidim* immerse themselves in Torah with immense diligence. Saturated with the fire of shlichus, our students are determined to refine every corner of the globe for the final Geulah.

Every day, a new generation of talmidim answer the Rebbe's call to finalize the spiritual task of our time. We are not merely marking a milestone, but accelerating the arrival of Moshiach immediately.

“והנה זה תובעים מכל אחד ואחד מאתנו **דור השביעי**, דכל השביעין חביבין . . שנמצאים אנחנו בעיקבתא דמשיחא, בסיומא דעקבתא, והעבודה — לגמור המשכת השכינה, ולא רק שכינה כי אם עיקר שכינה, ובתחתונים דוקא . . **תכלית** הכוונה בבריאת והשתלשלות העולמות, דנתאוה הקב”ה להיות לו ית’ דירה בתחתונים...”

(מאמר 'באתי לגני' ה'תשי"א)
